

2004 Beechcraft Premier 1

Serial Number RB-116, Registration N183DT

2004 Beechcraft Premier 1

Serial Number RB-116, Registration N183DT

About the Aircraft

The composite fuselage of the Beechcraft Premier I delivers numerous benefits above other aircraft in its class. It provides more headroom than its competitors, and one-piece element sidewalls allow maximum shoulder space when sitting upright to add considerable cabin comfort. A cross section looks more like that of a midsize than the light jet. Additionally, the Premier I features single pilot capabilities, speeds of up to 450 knots and a range up to almost 1500 nm.

This beautifully maintained aircraft features Tap BLUE engines, fresh paint, and new interior completed in June 2022.

Airframe

Total Airframe Hours: 2842 hrs
Airframe Landings: 2961

Engines

Model: Williams FJ44-2A
Serial Number 105145
2842 Hours Since New
2961 Cycles Since New

Serial Number 105140
